# FINANCIAL REPORT OF THE UNION FOR REFORM JUDAISM

For the Fiscal Year Ended June 30, 2012

December 14, 2012

Dear Union Supporters and Friends,

As the Chair of the Audit Committee, I am pleased to present for your review the Union for Reform Judaism's audited consolidated financial statements for the fiscal years ended June 30, 2012 and 2011. The URJ Audit Committee reviewed the reports in depth with the Union's independent auditors, EisnerAmper LLP.

Included with this letter are the Consolidated Statements of Financial Position as of June 30, 2012 and 2011, and Statements of Activities, Changes in Net Assets, and Cash Flows for the years ended June 30, 2012 and 2011. These statements include the assets, liabilities, and results of operations for our camps and ARZA for both years. Also included for the year ended June 30, 2012, is an unaudited comparison of actual results of operations with the approved budget.

The net assets of the URJ increased by \$3 million during fiscal 2012, mainly because of an increase in contributions to our camps. Our cash position remains strong.

My very special thanks to Norman Leopold, General Counsel and Audit Committee Vice-Chair; Steve Pruzan, Audit Committee Vice Chair; Aaron Bloom, Associate Treasurer; Elliott Jacobson, Budget Committee Chair; Leonard Teitelbaum, Investment Committee Chair, and the rest of the dedicated and hard-working Finance Team, who contribute many hours of their time to the Union and the Movement. We are so very fortunate to receive the benefit of their wisdom, professional knowledge, and generosity.

In addition, on behalf of the Audit Committee, I extend a special thank you to Donna Stein, our Chief Financial Officer, for all of her efforts throughout this past year, and the entire Finance staff for their dedication and contributions to the Union's fiscal well-being. We also greatly appreciate the leadership and support we have received from our new President, Rabbi Richard Jacobs, our new Chair, Stephen Sacks and our chief operating officer, Barbara Saidel.

L'Shalom,

Luise M. Burger

CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2012 and 2011

www.eisneramper.com

#### INDEPENDENT AUDITORS' REPORT

Board of Trustees Union for Reform Judaism New York, New York

We have audited the accompanying consolidated statements of financial position of the Union for Reform Judaism (the "Union") as of June 30, 2012 and 2011, and the related consolidated statements of activities and changes in net assets, and cash flows for the years then ended. These financial statements are the responsibility of the Union's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements enumerated above present fairly, in all material respects, the financial position of the Union for Reform Judaism as of June 30, 2012 and 2011, and the changes in its net assets and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

New York, New York November 20, 2012

Eisner Hmper LLP

#### NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### [1] Organization and basis of presentation:

The Union for Reform Judaism (the "Union"), an Ohio corporation and the central body of the Reform Movement in North America, was founded in Cincinnati, Ohio, in 1873 as the Union of American Hebrew Congregations. In November 2003, the organization's name was changed to the Union for Reform Judaism.

The Union serves the approximately 900 congregations in the United States, Canada, the Bahamas, Puerto Rico, and the Virgin Islands. As the congregational arm of the Reform Jewish Movement, the Union's primary mission is to create, sustain and grow a vibrant Reform Judaism. The Union provides leadership and vision from a Reform Jewish perspective on spiritual, ethical, and social issues, as well as convenings and programs for Reform congregations. The Union also provides opportunities for individual growth and identity that congregations and individuals cannot provide by themselves, including camps, Israel programs, study kallot, and biennials.

The Union owns or supports a group of summer camps located throughout the United States and Canada. The financial statements of the camps have been included in the accompanying consolidated financial statements, with all inter-organizational transactions eliminated in the consolidation process.

The Union and its affiliates are exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and from state and local taxes under comparable laws when applicable. Activities of the Union in Canada are carried out through related corporations that are either Canadian registered charities or otherwise exempt from income tax in Canada.

In March 2009, the Board of Trustees of the Union approved a restructuring plan designed to enhance mission delivery and increase efficiencies of that delivery. Implementation began in April 2009, and by the summer of 2010, the new structure was essentially in place. Cash outlays associated with the restructuring amounted to \$551 and \$762 for fiscal years 2012 and 2011, respectively, consisting principally of severance and unemployment costs to former employees, lease obligations and other closing costs relating to the former regional offices. As of June 30, 2012, there is \$1,264 of reserves remaining from the total of \$6,053 of restructuring expense recognized in fiscal year 2009 that are anticipated to be spent over the course of the next few years, relating to unemployment costs to former employees as well as to lease commitments for regional offices closed on June 1, 2009. The Union's Board approved the use of funds from the Board-designated quasi-endowment to underwrite restructuring costs.

The Union developed a plan to enhance mission delivery, as it transitions from its retiring Chief Executive Officer to the leadership of its new one. With the further restructuring this requires, the Board of Trustees of the Union established a leadership transition reserve of \$1,250 during fiscal year 2011. During fiscal year 2012, the Union accrued an additional \$264. Cash outlays associated with this reserve amounted to \$711 and \$20 in fiscal years 2012 and 2011, respectively. The Union's Board approved the use of funds from the Board-designated quasi-endowment to underwrite restructuring costs.

The Union's consolidated financial statements are presented in thousands of dollars.

#### [2] Basis of accounting:

The consolidated financial statements of the Union have been prepared using the accrual basis of accounting and conform to accounting principles generally accepted in the United States of America ("U.S. GAAP") as applicable to not-for-profit organizations.

Notes to Consolidated Financial Statements June 30, 2012 and 2011 (in thousands of dollars)

#### NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### [3] Functional allocation of expenses:

The costs of providing programs and other activities have been summarized on a functional basis in the accompanying consolidated statements of activities and changes in net assets. Accordingly, certain costs have been allocated by management, using appropriate measurement methodologies, among the program, management, and fund-raising areas.

#### [4] Use of estimates:

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses, as well as disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

#### [5] Cash and cash equivalents:

For financial reporting purposes, the Union considers all highly liquid investments with maturities of three months or less when purchased to be cash equivalents. Cash equivalents and certificates of deposit considered to be part of the investment portfolio are reflected as investments in the accompanying consolidated financial statements.

#### [6] Investments:

Investments in equity securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the accompanying consolidated statements of financial position, with realized and unrealized gains and losses included in the accompanying consolidated statements of activities and changes in net assets. The Union's mutual funds are also reported at their fair values, as determined by the related investment manager or advisor. Donated securities are reported at their fair values as determined on the dates of donation.

Investment transactions are recorded on a trade-date basis. Realized gains or losses on investments are determined by comparison of the average cost of acquisition to proceeds at the time of disposition. The earnings from dividends and interest are recognized when earned.

Investment expenses include the services of bank trustees, investment managers and custodians. The balances of investment management fees disclosed in Note B are those specific fees charged by the Union's various managers in each fiscal year; however, they do not include those fees that are embedded in various other investment accounts and transactions.

#### [7] Property and equipment:

Property and equipment are reported at their original costs or at their fair values on the dates of donation. Depreciation is provided over the estimated useful lives of these assets, which range from 3 to 45 years. Likewise, leasehold improvements are amortized over the term of the underlying leases. Depreciation and amortization are calculated using the straight-line method.

The Union capitalizes interest on property and equipment constructed for its own use. There was no interest capitalized in fiscal years 2012 and 2011.

Notes to Consolidated Financial Statements June 30, 2012 and 2011 (in thousands of dollars)

#### NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### [8] Goodwill:

Costs of net assets in purchased organizations in excess of the underlying fair value of net assets at dates of acquisition are recorded as goodwill and assessed annually for impairment. Goodwill will be adjusted to fair value and a corresponding impairment loss recognized if considered impaired.

#### [9] Inventory:

Inventory consists of publications, music, and camp supplies that are valued at the lower of cost or market value, using the first-in, first-out method. The Union estimates the lower of cost or market value of inventory by adjusting the unit cost instead of maintaining an overall reserve for obsolescence.

#### [10] Accrued vacation liability:

Accrued but unused vacation days may not be carried over from one fiscal year to another, except with the approval of the department head or when it conflicts with state mandate or where prohibited by law. The accrued vacation liability at June 30, 2012 and 2011 was approximately \$19 and \$6, respectively.

#### [11] Net assets:

Net assets are classified as unrestricted, temporarily restricted or permanently restricted, in accordance with donor-imposed restrictions or lack thereof. Each of these three classes of net assets is displayed in the accompanying consolidated financial statements, and the amounts of changes in each of these classes of net assets are displayed in the accompanying consolidated statements of activities and changes in net assets.

Unrestricted net assets represent those resources that are not subject to donor restriction. The Board of Trustees has designated a portion of net assets to serve as an endowment of the Union to provide reserves for programs and operations.

Temporarily restricted net assets represent those resources that are subject to the requirements of the Ohio Uniform Prudent Management of Institutional Funds Act ("UPMIFA") and the use of which has been restricted by donors or state law to specific purposes and/or the passage of time. When a restriction expires, that is when a stipulated time restriction ends, a purpose restriction is accomplished, or assets are appropriated, temporarily restricted net assets are reclassified as unrestricted and reported in the accompanying consolidated statements of activities and changes in net assets as net assets released from restrictions.

Permanently restricted net assets represent those resources subject to donor-imposed stipulations that they be maintained permanently by the Union. The purposes for which the income and net capital appreciation arising from the underlying assets may be used depends on the wishes of those donors. Under the terms of UPMIFA, those earnings are classified as temporarily restricted in the accompanying consolidated statements of activities, pending appropriation by the Board of Trustees.

Notes to Consolidated Financial Statements June 30, 2012 and 2011 (in thousands of dollars)

#### NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### [12] Contributions and pledges:

Contributions are recorded as revenue upon the receipt of cash or unconditional pledges. Contributions are considered available for unrestricted use, unless specifically restricted by the donor. Conditional contributions are recorded when the specified conditions have been met.

The Union reports contributions in the temporarily or permanently restricted net-asset category if they are received with donor stipulations or time considerations as to their use. When a donor's restriction is met, that is, when a stipulated time restriction ends or the purpose of the restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the accompanying consolidated statements of activities and changes in net assets as net assets released from restrictions.

The Union is the beneficiary and trustee of several irrevocable split-interest agreements. Contribution revenue for split-interest agreements is recognized at the date the agreement is established, net of the liability recorded for the present value of the estimated future payments to be made to the respective donors and/or beneficiaries. The contribution is recognized as unrestricted revenue if the donor does not restrict the use of the assets contributed to the Union, and neither the agreement nor state law requires the assets received by the organization to be invested until the income beneficiary's death. If either of these situations exists, the contribution portion of the split-interest agreements is recognized as a temporarily restricted contribution (see Note C).

The Union records bequest income and the beneficial interest in perpetual trusts at the time it has an established right to such resources and can estimate the eventual proceeds.

#### [13] Membership dues:

The Union is charged with the responsibility of administering the proportional dues program referred to as the Maintenance of Union Membership ("MUM"). This program is the method by which the congregational members of the Union have agreed to assess themselves in order to provide financial support to the Union and the Hebrew Union College-Jewish Institute of Religion (the "HUC-JIR"), an unrelated entity. Dues consist of (i) a per capita charge based on the number of member units in the congregation and (ii) a fixed percentage of the congregation's generally recognized expenses.

The Union and the HUC-JIR have agreed on an allocation of gross MUM dues to the Union and HUC-JIR of 56% and 44%, respectively.

#### [14] Program fees:

Program fees consist of amounts charged to individuals or groups who participate in the numerous programs offered by the Union, such as summer camp.

#### [15] Rental income:

The Union leases a portion of its office space to unrelated not-for-profit organizations in accordance with signed lease agreements (see Note M). The Union also rents meeting space to affiliates, congregations, and other groups on a per-occurrence basis. Rental income is recognized in accordance with the lease agreement and as space is used by other parties.

Notes to Consolidated Financial Statements June 30, 2012 and 2011 (in thousands of dollars)

#### NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### [16] Foreign currency translation:

Substantially all assets and liabilities of foreign operations are translated at year-end exchange rates; support and revenue and expenses are translated at the average exchange rates during the year. Translation adjustments for such assets and liabilities are accumulated separately as part of unrestricted net assets. Gains and losses from foreign currency translations are included in the accompanying consolidated statements of activities and changes in net assets.

#### [17] Deferred revenue:

Revenues from camp activities are reported in the fiscal year in which the program is conducted. The portion applicable to subsequent fiscal years is reported as deferred revenue until earned.

#### [18] Prior year reclassifications:

Certain prior year amounts have been reclassified to conform to the current year's presentation.

#### [19] Measure of operations:

The Union includes in its definition of operations all revenues and expenses that are an integral part of its programs and supporting activities, including an authorized investment allocation.

#### [20] Fair value measurement:

As further described in Note B, the Union reports a fair-value measurement of all applicable financial assets and liabilities including investments, contributions and other receivables, short-term payables, and deferred revenues.

#### [21] Endowment funds:

The Union reports all applicable disclosures to its funds treated as endowment, both donor-restricted and board-designated (see Note H).

#### [22] Income tax uncertainties:

The Union is subject to the provisions of the Financial Accounting Standards Board's Accounting Standards Codification ("ASC") Topic 740-10-05 relating to accounting and reporting for uncertainty in income taxes. Due to its general not-for-profit status, ASC Topic 740-10-05 has not had, and is not anticipated to have, a material impact on the Union's financial statements.

#### [23] Subsequent events:

The Union considers the accounting treatments and the related disclosures in the current fiscal year's consolidated financial statements that may be required as the result of all events or transactions that occur after the fiscal year end through the date of the independent auditor's report.

Notes to Consolidated Financial Statements June 30, 2012 and 2011 (in thousands of dollars)

#### NOTE B - INVESTMENTS

At each fiscal year-end, investments consisted of the following:

				Jun	e 30,			
	A	20	12			20	11	
	Fa	ir Value		Cost	Fa	ir Value		Cost
Cash and certificates of deposit Mutual funds:	\$	3,485	\$	3,485	\$	3,458	\$	3,458
Bond funds		14,173		13,738		16,035		15,971
Equity funds		30,952		32,455		27,790		28,694
Bonds and other	-	126	-	101	_	126	_	101
	\$	48,736	\$	49,779	\$	47,409	\$	48,224

The Board of Trustees has authorized management to recognize 4% and 3% of the average market value of funds in the pooled investments designated for this purpose over the past three fiscal years as income from operations for fiscal years 2012 and 2011, respectively.

During fiscal year 2012, the investment pool was restructured, enhancing its diversification and lowering expenses.

For each fiscal year, investment return (net of fees of \$30 and \$22, respectively) consisted of the following:

	Year	Ended June 30, 2	2012
	Unrestricted	Temporarily Restricted	Total
Interest and dividends Net realized and unrealized gains (losses)	\$ 377 36	\$ 772 (308)	\$ 1,149 (272)

Gains in excess of investment returns over			

Notes to Consolidated Financial Statements June 30, 2012 and 2011 (in thousands of dollars)

#### NOTE B - INVESTMENTS (CONTINUED)

ASC Topic 820-10-05 establishes a three-level valuation hierarchy of fair-value measurements. These valuation techniques are based upon observable and unobservable inputs. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect market assumptions. These two types of inputs create the following fair-value hierarchy:

- Level 1 Valuations are based on observable inputs that reflect quoted market prices in active markets for the same or identical assets and liabilities at the reporting date.
- Level 2 Valuations are based on (i) quoted prices for similar assets or liabilities in active markets, or (ii) quoted prices for identical or similar assets or liabilities in markets that are not active, or (iii) pricing inputs other than quoted prices that are directly or indirectly observable at the reporting date. Level 2 assets include those securities that are redeemable at or near the balance sheet date and for which a model was derived for valuation.
- Level 3 Fair value is determined based on pricing inputs that are unobservable and includes those investments where (i) there is little, if any, market activity, or (ii) the underlying investments cannot be independently valued, or cannot be immediately redeemed at or near the fiscal year-end.

The classification of investments in the fair value hierarchy is not necessarily an indication of the risks, liquidity, or degree of difficulty in estimating the fair value of each investment's underlying assets and liabilities.

The Union's investments at each fiscal year ending 2012 and 2011, respectively, were classified entirely within Level 1 of the fair value hierarchy.

#### NOTE C - SPLIT-INTEREST AGREEMENTS

The Union's investments include deferred-giving vehicles subject to split-interest agreements. The different types of agreements currently maintained by the Union are the charitable gift annuity, the charitable remainder annuity trust ("CRAT"), the charitable remainder unitrust ("CRUT"), and a pooled life income fund ("PLF").

- Charitable gift annuities are unrestricted irrevocable gifts under which the Union agrees in turn to pay a
  life annuity to the donor or designated beneficiary. The contributed funds and the attendant liabilities
  immediately become part of the Union's general assets and liabilities, subject to the Union's maintaining
  an actuarial reserve.
- CRATs and CRUTs are time-restricted contributions not available to the Union until after the death of the
  donor, who, while living, receives an annual payout from such trusts, based on a fixed percentage of the
  market value of the invested funds for the CRAT, or a fixed dollar amount for the CRUT.
- The pooled life income fund is composed of donations which are consolidated in bond and equity mutualfund investments. Contributors receive a pro rata share of the actual ordinary income of the fund until their deaths, at which point the donors' share of the investment assets become available to the organization.

The Union initially values deferred gifts of cash at face value and those of equity securities at fair value; these values are then actuarially discounted. Of the \$48,736 and \$47,409 recorded as investments in the accompanying consolidated statements of financial position at June 30, 2012 and 2011, respectively, \$438 represent split-interest agreements at June 30, 2012 and 2011, respectively. The associated estimated liabilities due to annuitants amounted to \$425 and \$493 at June 30, 2012 and 2011, respectively.

Notes to Consolidated Financial Statements June 30, 2012 and 2011 (in thousands of dollars)

#### NOTE D - RECEIVABLES

#### [1] Contributions receivable:

At each fiscal year-end, contributions receivable were estimated to be due as follows:

	Year Ended June 30,							
	979	2012	_	2011				
One year	\$	2,927	\$	2,976				
Two to five years		4,641		2,196				
Thereafter	-	1,107		1,079				
		8,675		6,251				
Allowance for uncollectible contributions		(434)		(334)				
Reduction of pledges due in excess of one year to present value, at a rate of 6%	_	(1,048)		(568)				
	\$	7,193	\$	5,349				

#### [2] Dues receivable:

At each fiscal year-end, dues receivable consisted of amounts due to the Union from congregations. All amounts are due within one year. Based on management's past experience, approximately \$1,388 and \$1,418 have been reserved for doubtful dues collections for fiscal years 2012 and 2011, respectively.

#### [3] Accounts, loans and other receivables:

At each fiscal year-end, accounts, loans and other receivables consisted of amounts due to the Union from employees, affiliates and unrelated parties for exchange-type transactions, such as management services, camp fees, and employee loans and advances. All amounts are due within one year. Based on management's past experience, approximately \$94 and \$95 have been reserved for doubtful collections of accounts and loans receivable for fiscal years 2012 and 2011, respectively. At each fiscal year-end, the amount due from affiliated organizations was \$481 and \$555, respectively (see Note L). Other receivables are expected to be fully collected.

Notes to Consolidated Financial Statements June 30, 2012 and 2011 (in thousands of dollars)

#### NOTE E - PROPERTY AND EQUIPMENT

At each fiscal year-end, property and equipment consisted of the following:

	June 30,						
	2012	2011					
Land Building and improvements Furniture, fixtures, equipment, and other Camp vehicles and equipment	\$ 12,107 115,354 11,922 <u>854</u>	\$ 11,498 114,011 11,939 854					
Less accumulated depreciation	140,237 (70,912)	138,302 (66,439)					
	69,325	71,863					
Construction-in-progress	9,303	1,475					
	\$ 78,628	\$ 73,338					

Depreciation and amortization expense was \$4,473 and \$4,504 for fiscal years 2012 and 2011, respectively.

During fiscal year 2011, the Union disposed of certain property and equipment, with a net cost basis of \$762, realizing a gain on these sales of \$3,700. One of these properties, with a net book value of \$83, was on the campus of the HUC-JIR, which received the proceeds from the sale of that property.

#### NOTE F - NOTES PAYABLE

At each fiscal year-end, the Union had the following notes payable:

			2012	- 1	2011
[1]	Camp Eisner				
	Outstanding 6% debenture notes payable, held by various synagogues and individuals. These notes were callable five years after issue and were due June 1, 1999. Bondholders have been given the option either to receive cash in the bonds for face value or to donate them to the camp.	\$	<u>35</u>	\$	<u>35</u>

#### NOTE F - NOTES PAYABLE (CONTINUED)

		June	30	0
		2012	_	2011
(brou	ght forward)	\$ 35	\$	35
[2]	Crane Lake Camp, Inc.			
	Mortgage note dated May 19, 1999, for the purchase of the assets of the camp. Annuity payments in variable amounts are due to the then-president of the camp in semi-annual installments through July 2028, as long as the president of the camp or his spouse is living. Upon the death of the survivor, a final payment is payable and the obligation to make future payments under the agreement ceases. This liability is valued at the present value of the future payments due over the life expectancy of the individuals, utilizing a discount rate of 6%. Gains and losses resulting from changes in the actuarial assumptions and accretions of the discount are recorded as increases or decreases in the accompanying consolidated statements of activities and changes in net assets.	550		371
[3]	Community Development Foundation for Reform Judaism - Olin Sang Ruby Camp Institute			
	Loan with an organization dated April 2003, in the original amount of \$500. The loan is non-interest-bearing and payable in annual installments of \$50. The loan is guaranteed by the Union.	50		50
[4]	Avi Chai Foundation Loan - North American Camp Loan			
	Term loan with a foundation dated May 18, 2006, in the original amount of \$250. The loan is non-interest-bearing and payable in quarterly installments of \$12.5. It matures on October 1, 2012.			
	The proceeds from this loan went to fund the renovation of the Olin Sang Ruby Camp Institute. The loan is secured by a letter of credit.	-		25
[5]	Avi Chai Foundation Loan - Kalsman Camp			
	Term interest-free loan with a foundation dated January 29, 2007, in the original amount of \$3,000. Principal payments of \$150 are due in quarterly installments commencing in October 2007 and continuing through 2012.			
	The proceeds of this loan went to fund the construction costs for Camp Kalsman. The loan is secured by a letter of credit.		·	600

[14]	AYM Hillandale LLC				
	<b>Promissory note dated December 9, 2011 in the original amount of \$595</b> . The note has a fixed interest rate of 5.00% with quarterly principal and interest payments starting on April 1, 2012 at \$10. The note matures on January 1, 2037.		<u>591</u>		<u>-</u>
	Total notes payable	\$	13,851	\$	8,302

Minimum annual future payments under the loan agreements, for years subsequent to June 30, 2012, are as follows:

Year Ending June 30,	Aı	nount
2013	\$	2,030
2014		2,390
2015		1,962
2016		2,916
2017		786
Thereafter	_	3,767
	\$	13,851

At June 30, 2012, the Union had an unused unsecured line of credit totaling \$3,000 that could be drawn as needed, with interest incurred at the lower of the prime rate or LIBOR plus 1.75%. The agreement expires on August, 1 2012. Subsequent to June 30, 2012, the line of credit was renewed for the same amount and terms, and expires on August 1, 2013. The line is available for the Union as authorized by the Board of Trustees.

At June 30, 2012, the Union had standby letters of credit totaling \$1,651, which expire through 2015. The letters of credit are used as security for loans given by unrelated organizations for the renovation of several camp sites.

Notes to Consolidated Financial Statements June 30, 2012 and 2011 (in thousands of dollars)

#### **NOTE G - NET ASSETS**

Unrestricted net assets at each fiscal year-end were composed of the following:

	June 30,			
		2012		2011
Property, buildings, and equipment Board-restricted funds Operations and other	\$	64,776 10,053 8,434	\$	65,034 11,552 7,965
	\$	83,263	\$	84,551

At each fiscal year-end, net assets (including allocations of investment gains and losses) were temporarily restricted as follows:

	June 30,			
		2012		2011
Building and improvements, principally camp-related Direct membership support and programs Camp and youth scholarships Camp and youth programs Religious Action Center/social action/Israel	\$	10,395 1,842 5,508 3,743	\$	8,211 1,612 4,765 2,828

Notes to Consolidated Financial Statements June 30, 2012 and 2011 (in thousands of dollars)

#### NOTE G - NET ASSETS (CONTINUED)

At each fiscal year-end, permanently restricted net assets were restricted to support the following:

	June 30,			
		2012	_	2011
Camp scholarships and programs Direct membership and support programs Operating support Books and music/other mission-related programs	\$	4,153 3,514 2,023 1,957	\$	4,026 3,163 2,023 2,308
	\$	11,647	\$	11,520

#### NOTE H - ACCOUNTING AND REPORTING FOR ENDOWMENTS

#### [1] The endowments:

The Union's endowment was established based on its mission and consists of both donor-restricted endowment funds and funds designated by the Board of Trustees to function as endowment, known as quasi-endowment funds. Net assets associated with endowment funds are classified and reported based on U.S. GAAP. Board-designated funds are classified as unrestricted net assets, and funds with donor-imposed restrictions are classified as temporarily or permanently restricted net assets, with net gains reported as temporarily restricted pending appropriation by the Board of Trustees.

#### [2] Interpretation of relevant law:

UPMIFA is applicable to all of the Union's institutional funds, including its donor-restricted and board designated endowment funds. The Board of Trustees will continue to adhere to UPMIFA's requirements.

#### [3] Endowment net asset composition by type of fund for each fiscal year end:

	June 30, 2012				
	Unrestricted	Temporarily Restricted	Permanently Restricted	Total	
Board-designated quasi-endowment funds Donor-restricted endowment funds	\$ 10,053 	\$ - 14,710	\$ - 11,647	\$ 10,053 26,357

#### [5] Funds with deficiencies:

Net assets, end of year

From time to time, the fair value of assets associated with permanently restricted funds may decline below the historical dollar value of the donor's original permanently restricted contribution. Under the terms of UPMIFA, the Union has no responsibility to restore such decreases in value, should any exist.

\$ 14,190

\$ 11,552

\$ 37,262

\$ 11,520

Notes to Consolidated Financial Statements June 30, 2012 and 2011 (in thousands of dollars)

#### NOTE H - ACCOUNTING AND REPORTING FOR ENDOWMENTS (CONTINUED)

#### [6] Return objectives and risk parameters:

The Union has an Investment Policy Statement ("IPS") for all funds in the investment pool, including endowment funds. The overall objective for endowment assets is to provide the operations of the Union with a relatively stable stream of spendable revenue that grows over time and at a minimum keeps pace with inflation. If this is to be achieved over the long term, the inflation-adjusted value of the endowment assets must be preserved, net of annual distribution to programs. IPS compliance is monitored closely by the Union's Investment Committee and reflects:

- Asset diversification to provide reasonable assurance that no single security or class of security will have disproportionate impact on the total endowment assets.
- Investments in liquid, equity, and fixed-income instruments:
  - Fixed-income instruments should average approximately 40% of the total fixed-income plus equity portfolio value. Their performance is measured against an appropriate benchmark related to its composition. Currently, this benchmark is the Barclays Capital U. S. Aggregate Bond Index.
  - ii. Equities should average approximately 60% of the total fixed-income plus equity portfolio value: approximately 30% domestic and 30% international (benchmark: MSCI EAFE Index). Target ranges for domestic equities are 22% large-cap (benchmark: S&P 500); 4% mid-cap (benchmark: Russell Mid-Cap Growth); 4% small-cap (benchmark: Russell 2000 Value).
  - iii. Community Development investment instruments, consisting mainly of certificates of deposit in community-run banks may represent up to 1.8% of the total investment pool, which includes endowment funds.
- Assessment at least annually by the Investment Committee of the appropriateness of the IPS, with recommended changes, if any, to be approved by the Board of Trustees.

#### [7] Strategies employed for achieving objectives:

To satisfy its long-term, rate-of-return objectives, the Union relies on a total-return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The portfolio will be invested with care skill, prudence and diligence in accordance with fiduciary laws and regulations. Donations of securities are liquidated as quickly as practical, and the proceeds are invested in accordance with the IPS.

The long-term investment objective for the endowment assets is to attain a total return (net of investment management fees) that exceeds the average annual spending rate, as determined each year by the Board of Trustees as part of the Union's budget process.

#### [8] Spending policy and how the investment objectives relate to the spending policy:

The Budget Committee, in consultation with the Investment Committee, recommends to the Board of Trustees for its consideration each year a spending rate that balances the need for endowment support, as specified by the Board or donors, and the long-term expected investment return on the endowment.

Notes to Consolidated Financial Statements June 30, 2012 and 2011

(in thousands of dollars)

#### NOTE I - PROGRAM INCOME AND PROGRAM EXPENSES

Program income in each fiscal year was as follows:

	Year ended June 30,			ne 30,

#### NOTE J - RETIREMENT PLANS

#### [1] Defined-benefit retirement plan

The Union has a contributory, defined-benefit retirement plan (the "Plan") covering certain of its employees and employees of several affiliates. Plan assets are held in investment accounts operated in trust by various financial institutions. Effective June 30, 2011, the Plan's sponsor has frozen participation and benefit accruals in compliance with a resolution of the Board of Trustees.

The following table sets forth the Plan's funded status and the amounts recognized in the Union's consolidated financial statements at each fiscal year-end:

	June	e 30,
	2012	2011
Actuarial present value of benefit obligations: Accumulated benefit obligation, including vested benefits of \$14,963 and \$15,551 at each fiscal year-end, respectively	<u>\$ (15,097)</u>	<u>\$ (15,702)</u>
Projected benefit obligation Fair value of Plan assets	\$ (15,097) 16,238	\$ (15,702) 17,175
Funded status in excess of Plan assets	<u>\$ 1,141</u>	<u>\$ 1,473</u>
Prepaid pension costs in the consolidated statements of financial position	<u>\$ 1,141</u>	<u>\$ 1,473</u>
Amounts recognized in changes in unrestricted net assets at each fiscal year-end: Net (losses) gains Prior service costs	\$ (1,220) 606 \$ (614)	\$ 1,682 
Benefits cost	\$ (281)	\$ (114)
Components of net periodic benefits cost: Service cost Interest cost Expected return on plan assets Net amortization and deferral	\$ - 965 (1,246)	\$ - 1,015 (1,129)
Net periodic benefit costs	<u>\$ (281)</u>	<u>\$ (114)</u>
Employee contributions	<u>\$</u>	<u>\$</u>
Benefits paid	<u>\$ 1,000</u>	\$ 1,067
Weighted-average assumptions: Discount rate Expected return on Plan assets Rate of compensation increase	6.65% 7.50% N/A	6.65% 7.50% N/A

Notes to Consolidated Financial Statements June 30, 2012 and 2011 (in thousands of dollars)

#### NOTE J - RETIREMENT PLANS (CONTINUED)

#### [1] Defined-benefit retirement plan: (continued)

Investments of Plan assets will be made for the purpose of providing retirement reserves for the present and future benefit of participants of the Plan. The assets must be invested with the care, skill and diligence a prudent person acting in this capacity would exercise to comply with all objectives outlined herein, the Investment Advisors Act of 1940, and all other governing statutes.

The Union's investment objective is to achieve an average annual return of 7.5% or better on all the pension assets to meet its long-term pension obligations.

The primary objective for the Plan Trustees is to provide a balance among capital appreciation, preservation of capital and current income. The objectives of the Plan should be pursued as a long-term goal designed to meet the benchmark objectives for the Plan without taking undue risk.

The Trustees of the Plan recognize that risk, volatility, and loss of purchasing power due to inflation are present to some degree in all types of investment vehicles. Although high levels of risk are to be avoided, the assumption of some risk is warranted to allow the investment manager the opportunity to achieve satisfactory long-term results consistent with the objectives of the Plan.

The Trustees of the Plan have discretion as to the asset allocation decisions of the total Plan assets. The Union requests adherence to the following asset-allocation range:

	Minimum Percentage	Maximum Percentage
Domestic large-cap equities	24%	28%
Domestic mid-cap equities	9%	13%
Domestic small-cap equities	2%	5%
International equity	22%	28%
Fixed income	32%	38%

At each fiscal year-end, the fair value of total plan assets held was as follows:

	June 30,			
		2012		2011
Cash and cash equivalents	\$	-	\$	251
Certificates of deposit		200		200
Mutual funds:				
Bond funds		5,608		5,800
Equity funds		10,323		10,755
Group annuity contract		112		169
Liabilities, net	-	<u>(6</u> )	-	
	\$	16,237	\$	17,175

The investments in the common and collective trusts are composed of both domestic and international equity mutual funds administered by various financial institutions. The Union contributed nothing to the Plan for fiscal years 2012 and 2011.

Notes to Consolidated Financial Statements June 30, 2012 and 2011 (in thousands of dollars)

#### NOTE J - RETIREMENT PLANS (CONTINUED)

#### [1] Defined-benefit retirement plan: (continued)

The following table illustrates the benefit distributions that would be paid each fiscal year if all "non-highly compensated" participants who are expected to retire were to elect a lump-sum distribution instead of monthly payments. "Highly compensated" participants are currently not allowed to elect a lump-sum distribution.

As a result, monthly payments are included below for those participants:

Year Ending June 30,	Expected Benefit Distributions		
2013	\$	897	
2014		963	
2015		978	
2016		1,027	
2017		1,086	
2018-2021		5,776	

There was no pension expense for fiscal years 2012 and 2011, respectively.

Those member rabbis, cantors, and senior staff (consisting of department heads, program directors and several executives) who are not covered under the Plan are covered instead under a plan of the Reform Pension Board or the American Conference of Cantors.

#### [2] Defined-contribution plan

The Union established a defined-contribution retirement plan under Section 403(b) of the Internal Revenue Code during fiscal year 2011. In fiscal years 2012 and 2011, the Union contributed 2% of the base salary for each eligible participant. In addition, employees may make voluntary contributions to the plan, for which, in fiscal year 2012 and 2011, the Union made a matching contribution of up to 3% of base salary for each eligible participant. Total plan expense for fiscal years 2012 and 2011 was approximately \$316 and \$365, respectively.

#### NOTE K - CREDIT RISK

Financial instruments that potentially subject the Union to concentrations of credit risk consist principally of cash and cash-equivalent accounts that are deposited in financial institutions in amounts which, from time to time, may exceed federal insurance limits. However, management believes that the Union does not face a significant risk of loss on these accounts.

Notes to Consolidated Financial Statements June 30, 2012 and 2011 (in thousands of dollars)

#### NOTE L - RELATED-PARTY TRANSACTIONS

The Union provides various management services, which include providing payroll and fringe benefits, for several unconsolidated, affiliated organizations. These services are billed to the respective affiliated organization. For each fiscal year-end, affiliate receivables consisted of the following:

	June 30,			
	2012		2011	
Women of Reform Judaism, the Federation of				
Temple Sisterhoods	\$	190	\$	226
Men of Reform Judaism		284		322
Reform Pension Board		7		7
	\$	481	\$	555

#### NOTE M - RENTAL INCOME AGREEMENT

The Union has entered into several agreements to lease a portion of its condominium unit to unrelated not-for-profit organizations and an agreement to sublease its office space in San Francisco. The following are minimum lease payments to be received, excluding condominium charges, for each fiscal year:

Year Ending June 30,	Amount		
2013	\$	1,512	
2014		1,537	
2015	_	114	
	\$	3,163	

#### NOTE N - COMMITMENTS AND CONTINGENCY

#### [1] Lease agreements:

The Union has entered into operating leases for the use of office facilities and certain office equipment which expire through 2018. Certain of the leases are subject to escalations for increases in real estate taxes and other operating expenses.

For each fiscal year, minimum annual future rental commitments under the lease agreements, excluding escalation costs, are as follows:

Year Ending June 30,	Amount		
2013	\$	563	
2014		431	
2015		302	
2016		177	
2017		83	
Thereafter		27	
	\$	1,583	

Notes to Consolidated Financial Statements June 30, 2012 and 2011 (in thousands of dollars)

#### NOTE N - COMMITMENTS AND CONTINGENCY (CONTINUED)

#### [1] Lease agreements (continued):

Certain operating leases provide for renewal options for additional years at their fair rental value at the time of the renewal. In the normal course of business, operating leases are generally renewed or replaced by other leases.

Rent expense amounted to approximately \$590 and \$585 for fiscal years 2012 and 2011, respectively.

#### [2] Convention agreements:

The Union has entered into multiple agreements for the use of hotel and conference space for the North American Biennial and the NFTY Convention. The agreements stipulate that in the event of a cancellation the Union would be subject to certain cancellation fees.

#### [3] Reserve for Environmental Remediation

A \$750 reserve was established during 2012 to cover potential restoration costs associated with the remediation of a non-State jurisdictional pond used for recreational purposes at Camp Newman, located in California. The remediation is related to an overflow incident that occurred in April 2010, causing effluent to flow into the Russian River. The reserve amount is based on an estimated cost determined by Prunuske Chatham, an environmental consulting firm.

#### [4] Construction in progress:

During the 2012, the Union entered into contracts with architects, general contractors and related consultants for renovations and improvements to various camp facilities. Remaining commitments under the various contracts were approximately \$1,000.

#### [5] Legal matters:

The Union is subject to legal action in the routine course of conducting business. In management's opinion, however, there is no current legal action the outcome of which would have a material adverse impact on the Union's financial position.

#### **NOTE O - SUBSEQUENT EVENTS**

Subsequent events were evaluated through November 20, 2012, which is the date the financial statements were available to be issued.

#### UNION for REFORM JUDAISM

#### COMPARISON OF THE ACTUAL RESULTS OF OPERATING ACTIVITY WITH THE BUDGET

FOR THE FISCAL YEAR ENDED June 30, 2012

#### Union for Reform Judaism Reconciliation of Budget Comparison to the Audited Statement of Activities

Please note that the following internally-generated statement of operations, showing actual vs. budgeted performance for fiscal year 2012, differs from the audited statement of activities for unrestricted net assets and change in unrestricted net assets for the following principal reasons:

- The external consolidated statements include the results of our camps and Israel programs and ARZA, while the
  internal statements exclude camps and Israel programs, which operate on a calendar year for internal reporting purposes,
  and ARZA.
- o The internal statements are on a modified cash basis. The most significant difference from the audited tatements is the fact that the internal statements reflect membership and annual campaign revenue as the cash is received.
- The external statements include depreciation expense and investment return not designated to current operations and other nonoperating activity not reflected in the internal statements.
