

URJ MADRICHIM ACADEMY 102

Enhance your learning, connect with a national cohort of student teachers, and sharpen your teaching and classroom management skills in the second level of the URJ Madrichim training. Develop lesson plans, practice teaching, receive feedback, and be your best self!

In Hebrew, madrichim means guide or counselor.

Open to **any teen in grade 9-12** working with younger kids as a madrich, guide, student aide, assistant teacher, group leader, counselor, or teen leader in their local Jewish community.

Participants learn about being a Jewish Leader, lesson planning, facilitation, and more.

Participants work with their local Jewish educators to bring learning to life.

Six 1-hour sessions will be offered virtually Spring 2022.

Prerequisite: URJ Madrichim Academy 101

Suggested fee of \$75

For me, the greatest highlight [of the URJ Madrichim Academy 101] is noticing the results of the program. Each of our teens has produced, unsolicited by their cooperating teacher, a lesson that included a new skill learned at the training.
